**Bulletin no. 2**

**Date:** 4 December 2025

**Time:** 16:50

The Stewards inform all Competitors

**Energy offset penalty according to Article 36.3 of the Sporting Regulations of the 2025-2026 FIA Formula E World Championship, only valid for Sao Paulo E-Prix:**

According to Article 36.3 of the Sporting Regulations there is an **energy offset penalty of (+1.5 kWh to the zero reset)** applicable for cars starting the race from the pit lane. If the race is declared to start behind the Safety Car the energy offset penalty to cars starting from the pit lane will not be applied.

If the race is started behind the Safety car and according to Article 36.18 of the Sporting Regulations the Race Director decides to end the Safety Car period with a "Standing Start", any car starting the race from the pit lane should take the grid position at the back of the grid in the order they have left the pit lane.
